

AD Ports Group Announces Leadership Change in Logistics Cluster

Abu Dhabi, UAE – 13 November 2025: AD Ports Group (ADX: ADPORTS), a leading global enabler of trade, logistics, and industry, today announced the appointment of Jochen Thewes as the CEO of the Group's Logistics Cluster.

The appointment, which takes effect 1st December 2025, reinforces the Group's ambition to elevate its Logistics Cluster into the ranks of the world's leading logistics providers, building on the strong foundations and global footprint established through the Group's logistics arm, Noatum Logistics.
