Company announcement – Inside information
No. 67/2026

29 October 2026

Netcompany raise the lower end of revenue guidance for full year 2026

Netcompany Group A/S ("Netcompany") raise the lower end of full year 2026 revenue guidance based on revenue growth of 28.1%, and 12.7% excluding Netcompany Banking Services, in the first nine months of 2026 and taking into account the current backlog and weighted pipeline.

For the full year 2026, Netcompany now expects:

- Group revenue growth of between 18% and 20.5% (previously between 16% and 20.5%)
- Group revenue growth - excluding Netcompany Banking Services - of between 8.5% and 10.5% (previously between 6.5% and 10.5%)

Guidance for adjusted EBITDA margin is unchanged:

- Group adjusted EBITDA margin of between approximately 16% and 19%
- Group adjusted EBITDA margin - excluding Netcompany Banking Services - of between 17% and 20%

All financial metrics are in constant currencies.

Netcompany will publish its full Q3 interim report on 29 October 2026.
